

Southland Impact Fund

Join us in making a lasting impact in our community by donating to the Southland Impact Fund. Every contribution, big or small, becomes a vital building block for creating positive change and shaping a brighter future for all.

What is the guiding principle of the Southland Impact Fund?

At the core of our Southland Impact Fund lies a timeless philosophy: "Teach a man to fish, and you feed him for a lifetime." This guiding principle reflects our belief in the impact of empowerment and self-sufficiency. Rather than providing temporary solutions, we focus on supporting communities with the tools, knowledge, and resources they need to thrive independently.

Together, we can empower communities to become architects of their own success, creating ripple effects of positive change throughout our Southland communities.

What are the key focus areas of the Southland Impact Fund?

The key focus areas of the Fund are youth, education, health & well-being, community & economic development, conservation and the environment.

- 1. Education & Youth:** Investing in programmes geared towards youth development and access to opportunities, we empower the next generation to reach their full potential. Education is the cornerstone of progress.
- 2. Health & Well-being:** A healthy community is a thriving community. Building resilience and support across our diverse communities creates a strong scaffolding for a healthy future.
- 3. Community & Economic Development:** Collaboration, inclusivity, and support are the foundation of strong communities. Your contribution helps develop infrastructure, promotes social cohesion, sustainability, and resilience.
- 4. Conservation & Environment:** Vital for health, cultural heritage, biodiversity, and climate resilience, along with protecting the economic sustainability of the drivers of prosperity in Southland.

"A society grows when old men plant trees in whose shade they shall never sit."

– Greek Proverb

- ✓ **Investment & growth:** All donations are pooled and invested, generating returns year after year. This ensures your generosity multiplies over time, creating a self-sustaining fund.
- ✓ **Distributions:** The Southland Foundation distribution committee carefully reviews funding applications from local charitable organisations and identifies other areas of need. They select those with the greatest need and potential for impact in line with the Fund's focus areas, ensuring that your donation goes where it's needed most.
- ✓ **Perpetual giving:** A portion of the income can be reinvested to grow the fund's capital. This cycle continues indefinitely, meaning your gift will keep giving back to the community forever.
