

Fiordland Regional Fund

Help Shape Fiordland's Future – Today and Forever

Your donation to the Fiordland Fund supports long-term, local change. Whether large or small, every contribution strengthens our community and helps build a brighter, more resilient future.

Why the Fiordland Fund?

Our guiding philosophy is simple:

“Give a man a fish, and you feed him for a day. Teach a man to fish, and you feed him for a lifetime.”

We focus on empowerment — not quick fixes. The Fund supports individuals, groups, and organisations with the knowledge, tools, and resources to thrive independently.

What We Support

Our fund is committed to driving long-term, meaningful change by investing in the areas that matter most to our community. We recognise that community needs evolve over time. That's why our approach remains flexible and responsive—ready to support emerging priorities and innovative solutions that strengthen our shared future. Whether it's equipping the next generation, enhancing well-being, fostering collaboration and resilience, or protecting our natural resources, we are guided by a deep commitment to sustainable impact and local relevance.
